What ID do I need to provide for a DBS check

The person going through a DBS check - 'the applicant' - must **give their employer original documents** proving their identity. The documents needed will depend on the route the application takes. The applicant must try to provide documents from route 1 first.

Route 1

The applicant must be able to show:

- 1 document from Group 1, below
- 2 other documents from either Group 1 or Group 2a or 2b, below

At least 1 of the documents must show the applicant's current address.

Route 2

If the applicant doesn't have any of the documents in Group 1, then they must be able to show:

- 1 document from Group 2a
- 2 other documents from either Group 2a or 2b

At least 1 of the documents must show the applicant's current address. The organisation conducting their ID check must then also use an appropriate external ID validation service to check the application.

Route 3

Route 3 can only be used if it hasn't been possible to process the application through Routes 1 or 2.

For Route 3, the applicant must be able to show:

- a birth certificate issued after the time of birth (UK and Channel Islands)
- 1 document from Group 2a
- 3 further documents from Group 2a or 2b

At least 1 of the documents must show the applicant's current address. If the applicant can't provide these documents they may need to be fingerprinted.
