What is an ID check?

The ID check will confirm the address of the applicant, any linked addresses, financial history including CCJs, bankruptcy, sanctions registers.

Documents are not required but you can also check to see the validity of a driving licence or passport if you wish.

There is a £5.00 fee for this service - instantly in your screen. Just press the little tick, when it appears, to view the full PDF.

Unique solution ID: #1008
